The Gratitude Garden Preschool is a year-round school, except kindergarten. Upon kindergarten graduation, graduates may not attend summer session. The tuition for the year is paid in twelve equal payments. Each payment represents 1/12 of the tuition, the first payment is paid in September at the beginning of fall session and the twelfth payment is paid in August at the end of summer session. Families continuing with The Gratitude Garden Preschool in the following fall will be secured enrollment only if the child attends school for the entire summer session. Families that do not attend the summer session will be required to reapply the following session with no guarantee of placement for the child. Tuition is not prorated for vacations, holidays, service days, and any other necessary school closures.

Families with more than one child enrolled at the Gratitude Garden Preschool will receive a 5% tuition discount off the lowest monthly tuition. Annual tuition payments receive a \$500.00 discount, limited to the first 5 families. Military discounts are also available, please inquire. Late Pick-up (after 5:35) is \$5.00 a minute.
